КАТАЛОГ ИЗОБРАЖЕНИЙ  
ВИТРАЖНЫХ РИСУНКОВ

COLLECTION 2017

*design and practicality*

## КОЛЛЕКЦИЯ ПРОДУКЦИИ

Компания MGS объединяет четыре мебельных бренда – SONATTI, FOODZHI, HOSTINN и HALLIDAY – в большую представительную семью.

Общие «фамильные» черты: собственное мощное производство, индивидуальный подход к каждому покупателю и отличное качество готовой продукции.

МАСТЕР ШКАФОВ КУПЕ

HALLIDAY – опытный производитель шкафов-купе. В постоянно растущем ассортименте есть не только линейки серийной мебели, но и эксклюзивные модели. Они идеально соответствуют индивидуальным пожеланиям и даже капризам заказчика.

МЕБЕЛЬ ДЛЯ КУХНИ

FOODZHI производит мебель для кухни: от практичных стульев и обеденных столов до технологичных гарнитуров. В первую очередь, это продукция высокого качества. К тому же она без слов желает вам приятного аппетита, всегда хорошо выглядит и радует семью каждый день.

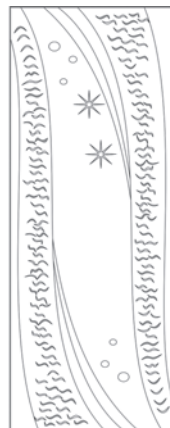

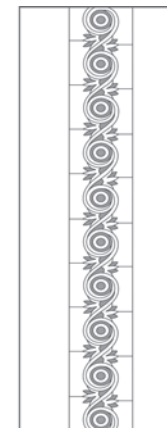

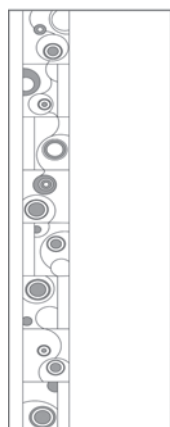

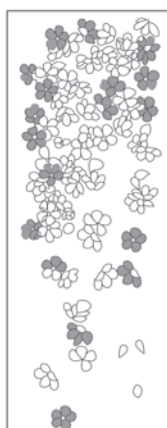

МЕБЕЛЬ ДЛЯ СПАЛЬНОЙ

SONATTI – производитель кроватей. Эти предметы интерьера делают всё, чтобы вы отдыхали по-настоящему, и создают идеальную атмосферу для сна и релакса. Никакого волшебства на самом производстве не происходит – оно возникает у вас дома сразу после приобретения.

МЕБЕЛЬ ДЛЯ ГОСТИНОЙ

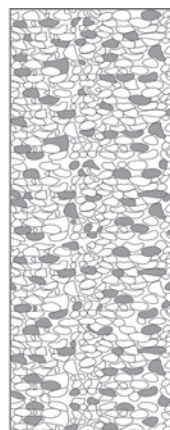

Мебель HOSTINN – это всё, что может представить себе человек с хорошим вкусом в комнате для гостей, от крошечного пуфа до великолепного шкафа-купе во всю стену. Такие вещи настраивают на отдых, достойно выглядят и оправдывают все ожидания.

## Коллекция «Silver»

Витражи серии «SILVER» изготавливаются на сатинированных зеркалах трех оттенков: «Серебро», «Графит» и «Бронза». Особенностью этих фасадов является нанесение рисунка прозрачным контуром и заливка прозрачными красками. Получившийся витраж выглядит очень изысканно и роскошно, его оригинальный внешний вид позволяет создавать эксклюзивные фасады. При изготовлении заливных витражей наша компания использует высококачественные материалы европейского производства. Витражные краски содержат экологически безопасные органические смолы, которые делают их прочными и долговечными. Они устойчивы к воздействию влаги, прямых лучей, перепадам температур и сохраняют свой первоначальный вид на протяжении многих лет.

## Зеркала

зеркало сатин серебро

зеркало сатин бронза

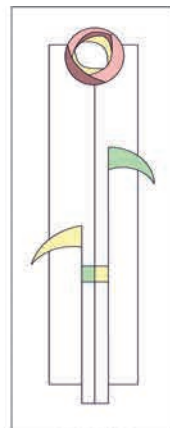

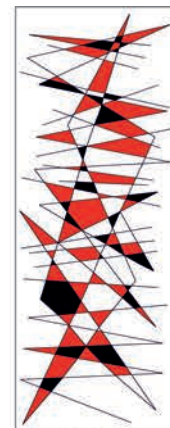

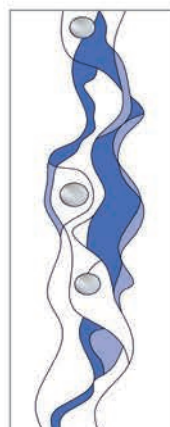

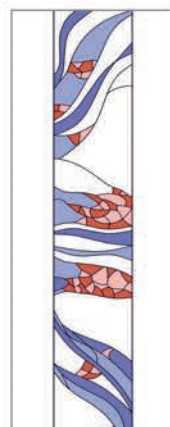

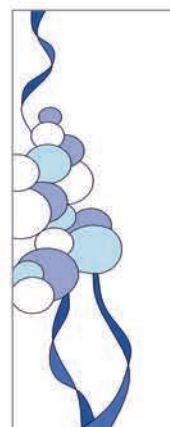

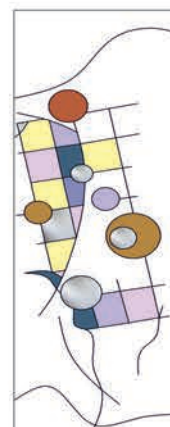

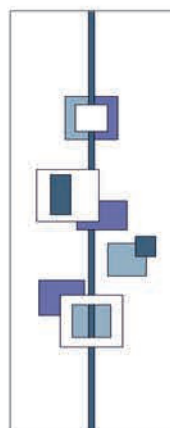

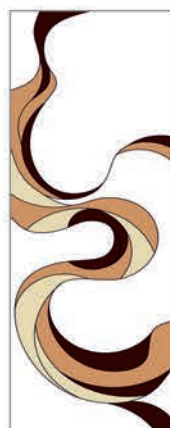

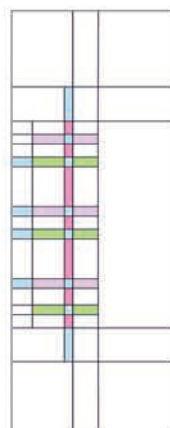

зеркало сатин графит

Витраж стал излюбленным декоративным приемом в дизайне, объединив цвет и свет в своем загадочном облике. Сейчас мы можем имитировать классический витраж в представленной технике, имея объемный контур и разнообразие колеров, на таких материалах, как стекло тонированное цветной пленкой, зеркало (бронза, золото, графит, серебро, желтое, фиолетовое, оранжевое, синее) и сатинированное зеркало (серебро, бронза, графит). Подобрать сюжет следует исходя из стиля и цветовой гаммы Вашего интерьера и, конечно, личных предпочтений. Мы представляем Вам прекрасную палитру, в которой только и нужно, что выбрать номера цвета и указать их при заказе, либо использовать вариант цветового решения представленного в данном каталоге.
